Dear Friends,

With great pleasure, we share highlights from the Dr. Martin Luther King, Jr. Community Center's 94th year of service to the residents of Newport County.

In 2015, as in years past, we listened deeply to our community.

Through our work on the Newport Health Equity Zone, we listened to the hopes, dreams, and challenges of our neighbors. We've learned we never know when someone will need our help. We know that our neighbors want the best for their children and their families. We strive to provide engaging programs that meet community needs.

We distinguish ourselves from other agencies by offering comprehensive social services and supports that incorporate access to healthy food, nutrition education, quality children's education programs, programs for seniors, and family and community engagement. Because their voices are heard, our clients are empowered to become self-sufficient through programs that inform and inspire.

Despite being a small staff, we create broad community impact with the help of over 400 volunteers and thousands of supporters.

We often refer to supporting the Center as "hyper-local" giving, where every dollar empowers, nourishes and educates nearly 3,000 people in Newport County. Every day, new and former friends of the MLK Community Center connect with us – to donate, to give their time, to participate in our many programs, or sometimes to do all three.

We are Newport County's community center, supported by the people and working for the people in the community where we live and work.

Yours in building a better community for all,

Client-Driven and Holistic.

HUNGER SERVICES address food insecurity in Newport County by offering healthy food, nutrition counseling and education.

Breakfast Program: Volunteers serve nutritious meals Monday – Friday, at Newport County’s only daily meal site.

Feed a Friend Food Pantry: Is open four times a week, including one evening for working families. Volunteers escort shoppers through the pantry to select non-perishable food, frozen meat, fresh produce, personal care, and household items. Clients select food based on pantry inventory, as well as their dietary and cultural preferences, and their capacity to safely store and prepare food. The MLK also provides Emergency Food Boxes for individuals in crisis when the pantry is closed.

Food 2 Friends (Food Delivery): MLK volunteers deliver non-perishable food, frozen meat, fresh produce, personal care items, and household items from the MLK’s food pantry to our homebound neighbors. Old age, infirmity, and a lack of transportation make it difficult and often impossible for these clients to get to the food pantry. Food 2 Friends helps keep people healthy in their homes as they age, or during a health crisis.

Dietitian/Nutrition: MLK’s registered dietitian provides free Nutrition Counseling while guiding clients as they use the Food Pantry and teaches cooking and healthy-eating classes.

Family Dinners: Created to introduce the MLK’s Hunger Services to families enrolled in the education programs, families gather for dinner at the MLK twice monthly to share a healthy meal prepared by volunteer chefs, using ingredients from the Food Pantry combined with fresh produce. Families enjoy a meal together, overcoming their reluctance to use the food pantry.

EDUCATION PROGRAMS provide high-quality, affordable options for working families eager to enrich their children’s academic, emotional, and social development.

Preschool: The MLK offers a full-day, DHS certified, literacy-based, affordable program for children three years old to school age. Our program helped develop the RI Early Childhood Education Standards and was designated a Preschool Center of Excellence by the national Early Learning Reading First Program. Daily program includes breakfast, hot lunch, and snack, a caring and structured environment, creative play, indoor and outdoor physical activity, nutrition classes, music and more.

Afterschool: The afternoon hours count at the MLK with literacy and math-based programming Monday – Friday from 3:30 – 6:00. Children in kindergarten through fourth grade enjoy a full hot meal, homework help, indoor and outdoor physical activity, and a wide variety of enrichment activities including Creativity Lab, robotics, violin lessons, art, nutrition class and more.

High-Quality and Unique.

Summer Camp: Continues to be the model for all Reading Reaps Rewards programs sponsored by the Newport Public Schools. Summer Camp stems summer learning loss and builds academic gains through 8 weeks of fun-filled days of experiential learning combined with field trips. Camp incorporates lessons about social responsibility. Students learn the importance of environmental stewardship through student-led community service projects that are both meaningful and impactful.

"I first came in for food, but I got so much more."

COMMUNITY PROGRAMS Promote personal development and assist adults in increasing proactive healthy behaviors. These programs and services are offered to anyone living in Newport County.

Our **Case Manager** strategically identifies clients' needs and addresses them through both service referrals and self-implemented programs.

LivFit: Twice-weekly program, led by our registered dietitian, offering exercise sessions and cooking/nutrition classes. Clients leave the program with dishes they have helped prepare as well as the recipe to make the dish on their own.

Senior Health Insurance Program & Medicare/Medicaid Counseling: Our Case Manager offers consultation for seniors and their families to understand, plan, and manage health and Medicare benefits.

Nutrition Counseling: Our Registered Dietitian helps pantry clients make informed, healthy dietary choices and offers one-on-one nutrition counseling, regardless of a client's ability to pay.

Lunch & Learn: Seniors gather for monthly events including a hot and healthy lunch prepared by volunteer cooks and information sessions presented by community partners on a broad range of topics including transportation, financial literacy, elder law, prescription review, Medicare/Medicaid enrollment, exercise, and more.

Outside Collaborating Agencies: Provide health and wellness programming and financial services.

AARP Foundation Tax-Aide: AARP volunteers provide free income tax preparation assistance to low income clients.

Seasonal and Wellness Clinics: Local health partner agencies provide free flu vaccines and disease prevention and self-management classes.

Hunger Hurts.

Hunger doesn't discriminate. The MLK's comprehensive hunger services provide more than just cans of food: our programs are a vital resource for health and empowerment.

The improving economy has not fully alleviated food insecurity in Newport County: **835 new clients** used the Food Pantry in 2015. Today the MLK Community Center is serving 45% of the individuals in Newport County who live in poverty, including 90% of impoverished Newport residents and 75% of impoverished Middletown residents.

The MLK is welcoming and non-judgmental with the best-stocked food pantry in Newport County. In 2015, the MLK Feed a Friend Food Pantry distributed **248,393 pounds of food**, of which **38,747 pounds were produce**.

"I'm disabled and can't work so I have to get help with food. I was surprised at the amount of organic food at the MLK. I had no idea of the resources available. I go to the pantry to supplement what I have in my apartment and I can get low-salt and other healthy foods. The MLK's Food Pantry isn't just a bunch of cans on shelves."

- Food Pantry Client

TYPICAL HUNGER SERVICES CLIENTS AT MLK COMMUNITY CENTER

A senior citizen whose retirement income and Social Security check don't cover her property taxes, homeowner's insurance, utilities, gas, prescriptions, or food for the entire month.

The father of two who recently lost his job and his wife who works for minimum wage. Despite the three part-time jobs between the two adults, their income isn't enough to cover the cost of food for their family.

The young soldier who just returned from Iraq. He now suffers from PTSD, lives with his mother, and can't find a job. He comes every morning for breakfast and uses the pantry every month.

The MLK Helps.

Breakfast Program

- Served **9,787 meals** to **293 individuals**.

Feed a Friend Food Pantry - Distribution

- **223,617 meals** to **2,562 individuals**.
- **501 holiday food baskets** and **424 emergency food boxes** (for when the pantry is not open)

Food 2 Friends - Deliveries

- **8,275 meals** to **103 homebound seniors** or individuals with disabilities.
- Since its inception in 2013, Food 2 Friends has delivered to **203 individuals**.

Registered Dietitian

- **240 individuals** received one-on-one Nutrition Counseling.
- **140 children** received weekly nutrition education in our Education programs.

Family Dinners

- **139 individuals** attended dozens of Family Dinners, including families with children enrolled in the Education Programs and families served by Child & Family.

The former Substance Abuse Counselor, who, after contracting a serious illness, lost her job, ran through her savings, lost her car and her apartment. She now stays in a shelter and relies upon our Hunger Services for food.

The disabled widower whose health has deteriorated so much that he can no longer leave his home. His home health aide doesn't grocery shop for him, so his food is delivered by Food 2 Friends.

"The food deliveries really have made a difference in my parents' budget and they feel very special getting a visit from their volunteer."

- Family member of Food 2 Friends client

Supporting Working Families.

Preschool:

- **48 children** ages 3-5 attended preschool. 44% of our Preschool families live at or below the Federal Poverty Level.
- Our preschoolers live in Bristol, Fall River, Middletown, Newport, and Portsmouth.
- Languages spoken in our preschoolers' homes include English, Spanish, and Portuguese

83% of the children in the MLK Community Center's preschool enter kindergarten already reading.

TYPICAL EDUCATION SERVICES CLIENTS AT MLK COMMUNITY CENTER

The single mother with a Master's Degree in Social Work. Even though she works full time for a social service agency, she still struggles to pay Preschool tuition.

The family who recently moved to the U.S. from Brazil and speak only Portuguese in their home. They bring their children to our Preschool because of our success in teaching English while preparing them for kindergarten.

The Naval War College student and his wife who choose to send their children to our Afterschool Program because of the diversity of students and the quality of the program.

Supporting School Success.

Afterschool:

- **71 children** attended the Afterschool Program for grades K-4. 34% of our Afterschool families live at or below the Federal Poverty Level.
- Afterschool students have a variety of unique needs. 6% are in foster care, 11% have Individualized Education Plans (IEPs), and 15% are English Language Learners.

*Academic Support + Hot Meal +
Enrichment Activities = Success*

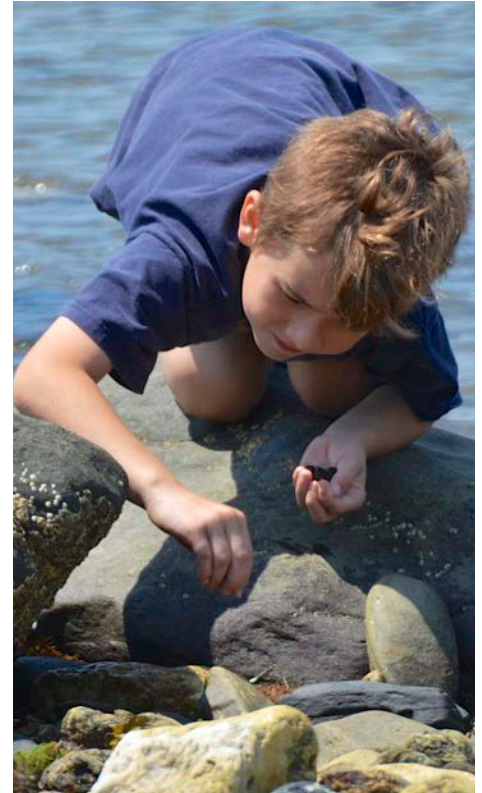

Summer Camp:

- **45 children** attended summer camp.
- **88% of the students** increased or maintained their reading level and **82% of students** increased their math fluency over the summer.
- Weekly field trips include sailing lessons with Sail Newport, surfing lessons, Newport Gulls baseball clinic, trips to Norman Bird Sanctuary, Ballard Park, Newport Art Museum, local beaches, Island Books, Newport Public Library, the Audobon Society, Mt. Hope Farm, Naval Undersea Warfare Center, URI Biomedical Lab, the Newport County YMCA's rope course, and Save the Bay Exploration Center.
- Our summer campers live in Jamestown, Johnston, Middletown, Newport, Portsmouth, and Tiverton.

Every parent with a child enrolled in our education programs pays weekly tuition, but recent economic growth has yet to reach most of our families. Reduced hours at work make paying tuition for Preschool, Afterschool and Summer Camp a struggle. We strive to provide partial scholarships to our Education Programs to working families in financial need. Securing sustainable funding streams is essential to ensure children are cared for in an enriching, safe and literacy-based environment.

"I know my son is making friends and having fun, and he's getting the reinforcements he needs in reading. I can't tell you how thankful his mother and I are that we found the MLK!"

- Summer Camp parent

Education and Empowerment

2015 was a year of expanding services to neighbors who would not typically find themselves coming to the MLK. While the majority of our clients are low-income, our health and wellness programming is available to any Newport County resident. Because of the expertise of our Case Manager, many people with complicated pensions or health issues are referred specifically to us for guidance in choosing a Medicare plan that best suits their needs.

Our Registered Dietitian's services are holistically blended throughout the MLK. Nutrition education is incorporated into LivFit, Lunch & Learn, Family Dinners and our education programs. Our dietitian provides no-cost private nutrition counseling for anyone who needs it, whether under-insured or uninsured. She also helps clients shopping in the Food Pantry, assisting them in making the healthiest possible choices.

"I really like the monthly lunches. One month we talked about fraud. We've had a session on budgeting, too. At my age, I didn't think I needed to learn about budgeting, but when you stop working and have to get by on Social Security and a small pension, it's hard."

- Lunch & Learn participant

TYPICAL COMMUNITY SERVICES CLIENTS AT MLK COMMUNITY CENTER

The mother whose transmission failed right before the holidays. She used all of her savings to fix her car so she could keep going to work. She came to Santa's Workshop for Christmas gifts for her kids and used the Food Pantry temporarily to keep food on the table.

The woman who is pre-diabetic and whose health insurance does not cover nutrition counseling. She now attends LivFit and meets with the dietitian for no-cost nutrition counseling.

The retired man who first visited the MLK for no-cost Medicare counseling. He doesn't need food assistance, but enjoys attending Lunch & Learn for the fellowship and information he gains.

Beyond Basic Human Needs.

We do more than feed the hungry. We help clients get the best health insurance they can afford. We educate individuals about healthy eating and behaviors. We provide healthy food options and opportunities for all clients to experience new and nutritious foods. We model healthy lifestyle behaviors.

"I started seeing the dietitian one-on-one. She's helping me change how I eat. I'm losing weight. I'm so much happier now. I love coming to the MLK Community Center. It's added a new dimension to my life."

- LivFit and Nutrition Counseling client

- **191 individuals** received one-on-one Nutrition Counseling.
- **67 seniors** attended a monthly Lunch & Learn event.
- **122 individuals** met with the Case Manager to enroll in Medicare or Medicaid through the Senior Health Insurance Program.
- **31 women** attended twice-weekly LivFit classes.
- **173 families** chose from thousands of donated toys and gifts for **340 children** at Santa's Workshop, where volunteer escorts and wrappers help ensure a happy holiday.

Eliana is a homeless widow with multiple medical conditions. Her illnesses made it impossible for her to work for many years. She's now at the age where she qualifies for Social Security, but her lack of employment history left her ineligible for the coverage she needs, like hospitalization. Our Case Manager fought for her to get her late husband's employment considered. Now, Eliana has the coverage she needs and deserves.*

Strengthening our programs...and our community.

"There's strength in numbers." That adage certainly applies to our work. In 2015, we deepened long term relationships and forged new bonds with community partners across Newport County and Rhode Island.

We approach our clients holistically and extend that philosophy to our partner agencies. Whether collaborating on a new initiative or welcoming other agencies into the MLK, these valuable relationships support our staff and enrich our programs. We are deeply grateful for our dozens of community partners. Working together, we are building a stronger Newport County.

Spotlight on Collaboration: Newport Health Equity Zone improves life for Residents of Broadway and the North End

NEWPORT
HEALTH EQUITY
ZONE

Partnering is more than good policy. These vital relationships leverage the strength of many to create collective impact. Such is the case with the MLK's role in the Newport Health Equity Zone, or HEZ.

HEZ is a multi-year, multi-pronged grant project funded by the R.I.

Department of Health, led by the Women's Resource Center. A place-based and resident-driven initiative, HEZ focuses on the health of Broadway and North End residents of Newport. The MLK leads the Food Access working group. At its heart, HEZ is about listening and responding. Residents are deeply involved in the process and fifteen have been hired to work as resident consultants. Resounding themes are residents' perceived disconnection from the greater community and their desire for access to transportation, to healthy food, to arts and culture, and to a more engaged life.

HONOR ROLL

Since 2005, the MLK Community Center has bestowed the **Keeper of the Dream** awards on those individuals whose outstanding commitment and contributions most embody the ideals of Dr. King. The Volunteer of the Year award was created in 2007. In 2012, the MLK added an award category to recognize businesses with exceptional commitment and contributions.

2015:

Keeper of the Dream: **David and Donna Goodrich**
Keeper of the Dream - Business: **Aquidneck Island Stop & Shop Supermarkets**
Volunteers of the Year: **Farouk and Susan Niazzy**

**No awards bestowed in 2011*

The MLK Community Center receives very little public funding. In 2015, **only 4%** of our annual budget came from local, state, or federal government sources.

The daily Breakfast Program fed **293 people 9,787 meals** with only **\$5,833** in federal funding. The Feed a Friend Food Pantry distributed **223,617 meals** with only **\$2,167** in federal funding. Support from foundations and grants is critical to sustaining and improving existing programs and drives new initiatives.

We gratefully celebrate the following organizations who completed group projects at the MLK Community Center. These teams tackled big items often beyond the capacity of our small paid staff. From landscaping, to painting, major cleaning and organizing of our administrative spaces, to sorting and organizing thousands of pounds of food for our holiday food programs, these special groups made a tremendous impact.
