

DR. MARTIN LUTHER KING JR. COMMUNITY CENTER

ANNUAL REPORT

2020

Founded in 1922 and renamed honoring Dr. King in 1968, the Dr. Martin Luther King, Jr. Community Center is a central service provider for at-risk individuals, families, and seniors. The MLK Community Center is an independent nonprofit serving individuals and families that are primarily, but not exclusively, low-income.

Mission

We nourish, educate, and support Newport County residents to improve their economic, social, and physical well-being.

Vision

We build a strong and inclusive community where all people are empowered to be self-reliant and to live their best quality of life.

Values

Excellence: We are flexible and creative in addressing our clients' needs, providing high quality, best practice programming.

Respect and Compassion: We treat all people fairly, equitably, and compassionately.

Wise Stewardship: We make decisions responsibly, caring for our resources to ensure the long term best interests of our community and our mission.

Collaboration: We are committed to partnerships to help better serve those in the greatest need and to strengthen us as an organization.

Education: We believe a nurturing, educational environment can lift children and adults from poverty and open the door to opportunity.

Self-Determination: We support our clients to make choices that improve their health and well-being.

Programs Encompass:

- ◆ Hunger Prevention and Nutrition
- ◆ Early Childhood and Extended Learning Time Education
- ◆ Community Support and Wellness

Dear Friends,

"We're in this together."

"Pivot, adapt, and persevere."

"Unprecedented."

Those phrases run through our minds from the vantage point of early 2021 as we look back at 2020.

We are proud the MLK Community Center did not close for a single programming day in 2020, the Center's 99th year of service. It was simple, really: ***our community needed us.*** As a longtime friend of the Center said to us in the earliest days of the COVID-19 pandemic: *"If the MLK can't step up now, who will?"*

Whether or not the MLK would step up was never in question. We stepped up because our community needed us in ways we couldn't have imagined and helping is embedded in the Center's DNA. The MLK was able to fulfill its mission and provide extraordinary community relief because our community supported us more generously than ever before. It's trite but nevertheless true: the situation was -- and continues to be -- unprecedented..

We are proud to report in 2020 the Dr. Martin Luther King, Jr. Community Center established a \$1.63M endowment. The first gift was from the estate of a man who benefited from Center programs. At the end of his too-short life, he told his family all he wanted was to get back to the MLK to enjoy breakfast with his friends. His final gift to his community was a donation of the funds remaining in his estate. The second gift to the endowment was from a woman who has long and generously supported

our work. Wanting to sustain the MLK through the crisis and beyond, she made a remarkable choice. In donating her Newport home for sale, the Center added \$1.6M to its endowment.

As we see so often at the MLK, generosity is found everywhere amongst us as much as need is found everywhere amongst us. Paraphrasing the newspaper piece that follows, it isn't their community, or my community. ***It's our community.***

The guest column printed in the March 16, 2021 issue of the *Newport Daily News* offers perspective on how the Dr. Martin Luther King, Jr. Community rose to meet the challenges in fulfilling its mission in the past twelve months.

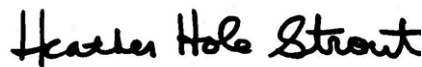

We can't predict what the coming years will bring for Newport County. But we can be certain the MLK Community Center will be ready, just like we've been for the past 99 years.

We'll keep being a beacon of hope because you continue to stand at our side.

Thank you.

the one year anniversary of the COVID-19 pandemic.

365 DAYS: HOPE NEVER LEFT AND NEITHER DID YOU

"Community" is more than just our middle name. It's embedded into who we are.

"Hope" is more than our State's motto. It's embedded into everything we do.

365 days ago, our world changed. The second Friday in March of 2020, COVID-19 hit our community with a vengeance, and changed every aspect of our lives. A year later, I want to check in with all of you. I'm reflecting on where we've been and where we're going.

How are you, really? ***It's been a brutal 12 months for every single one of us.*** The pandemic dropped fear, anxiety, and hardship on every doorstep. We've been united in uncertainty, not knowing what even the next week would look like.

The past year has been different, but that "different" looks different for each of us.

Some of the changes were inconvenient and stressful, but we coped. Suddenly "Zooming" took on entirely new meaning. We've hoarded toilet paper, doomscrolled on our devices, and built colorful collections of cloth masks. We've learned to greet each other with elbow bumps. a Q-tip. We've said "I miss you" so many times, it's exhausting. We've had to learn to work from home at the same table where the kids did distance learning.

Other changes broke our hearts. We've cancelled graduations and birthdays and weddings. We've been separated for a year from our aging family members who've never needed us more. We've lost wages, lost jobs, and even businesses. We've seen those we love struggle with loneliness, mental illness and addiction. We've had to hold drive-by funerals.

Over half a million American lives lost. *Incomprehensible.* 529,000 people nationwide, the vast majority of whom took their last breaths alone. And in just the time it took to write this, 1,000 more American lives lost. The overwhelming weight of this is almost too much too bear. I know so many of us are hurting, mourning in isolation. We've battled this still-mysterious virus—some with extreme symptoms—and some still experience unresolved symptoms day after day. We've faced complete and utter exhaustion from essential jobs, or from unexpected childcare and homeschooling. We've lost the jobs that kept the lights on and food on the table.

Most of us have wondered: "how are we going to get through this?"

For many in our community, that answer was with the help of the MLK.

For everyone's safety **last March 13th**, I dismissed our dedicated volunteers, closed our Preschool and After School, and stopped accepting food donations, despite the growing demand for food. One year ago as our community shut down, families immediately turned to the MLK. The air was heavy with the weight of layoffs, unemployment, suddenly being without childcare, the uncertainty of it all. That day, we pivoted our food pantry from in-person visits to bagged distribution of non-perishables, toiletries, milk, meat, eggs, fruits & veggies, and yes—even toilet paper—to anyone who needed it; brown bags of hope so food was one less thing to worry about. That very first day, we met families who had never used the Center's services before. **In the first 10 days, we served over 200 new clients.**

Our Breakfast program in normal times serves the most vulnerable in our community, many of whom face homelessness. Faced with the inability to gather to serve a meal, we quickly moved to a bagged Breakfast distribution every day, complete with freshly brewed hot coffee, bagged breakfast, lunch and a snack and even toiletries.

Pre-COVID, most of the food we distributed was donated: 65% was donated, while we purchased the remaining 35%. But last year, the ratio flipped. *We purchased 65% of our pantry's food while only 35% was donated.* Thanks to an outpouring of support from people like you, we had the resources to offer food every 14 days to those in need.

Our Mobile Food Pantry brought food into neighborhoods in Newport, Middletown, Portsmouth, Tiverton, and Jamestown, where folks can't get to the Center but needed the help of food every 14 days. Our Food 2 Friends program was a crucial lifeline, bringing groceries to the most vulnerable homebound people.

"Community" is more than our middle name, it's embedded into who we are. "Hope" is more than our state's motto, it's embedded into everything we do. Three hundred sixty-five days ago, our world changed. The second Friday in March of 2020, COVID-19 hit our community with a vengeance, and to check in with all of you. Our Food 2 Friends program was a crucial lifeline, bringing groceries to the most vulnerable homebound people.

When I think back to those early days of the pandemic, I think of the faces of the people we helped. Together, we fed the laid-off restaurant worker who, 3 days after the initial shutdown, turned to the Center to feed his family of 4. We think of the unemployed mother who brought home 2-weeks' worth of nutritious food, from our elderly neighbor when they saw the Mobile Food Pantry truck pull up to their neighborhood. To said, "I am so thankful for the MLK. During these stressful times of trying to figure out how the bills will get paid, I am so thankful to not have to worry about food."

This video shows what feeding our neighbors amidst a pandemic looked like. Our amazing Education staff remained employed with the Center throughout the pandemic, as they were able to join in the effort of food bag prep.

Those days were long, and somehow, they feel like yesterday but also a lifetime ago. In just nine weeks, we fed 2,747 people, or 60% of the clients we served in all of the previous year. And, 25% of these clients were first-time clients to the Center.

Spring came and went, bringing new faces to the Center, and deepening the need for those who already turned to the Center for support. In August, when we could finally cautiously reopen our education program of volunteers, Newport County once again answered the call. Your overwhelming support meant we could provide scholarships to cover nearly 90% of weekly tuition - the hard-hit, working families of our Preschoolers paid only \$20 per week for childcare to help them get back to work and back on their feet. Our full-day Summer Camp program reopened shortly thereafter (with fewer kids) and we were able to distribute more scholarships than we ever had in our history.

Our Grab & Go meals were born out of necessity: Pre-COVID, local churches offered daily meals to anyone in need, but they were unable to do so given the pandemic. Our solution? We hired a local caterer to prepare and serve hearty meals, simultaneously helping a small business open, and feeding our neighbors. Our Grab & Go meals remain a community mainstay: we're providing two free lunch meals to the community per week, plus 1-2 additional meals throughout the month.

The MLK serves as a "bridge between." In "normal" times, we were the bridge between the two sides of Newport County: the served and underserved. In the past year, the Center has been a bridge connecting our two sides. Some who were previously in a place of relative comfort found their situation changed overnight and need of help.

Our bridge has held strong. This year has reinforced everything the Center is, because we hold together as a community. From generous funders and donors who stepped up in those early days, to those who had a little food when we reopened donations, to those who donated and spread the word in whatever way you could - we got here, 365 days later, together, Newport County.

People are getting vaccinated. Restaurants are adding more space for dining. Kids are learning in school. Events are being scheduled for the fall. The light is coming back to our days, and to our lives. Hugs will come back. Hope never left.

Hope you are seeing light at the end of this long and dark road. And if you aren't, reach out to us. We are here for you. Because we will never give up hope or stop working towards a better Newport County for everyone. Because this isn't my community, or your community. It's our community.

Because all of us are the MLK. Heather Hole Strout is the executive director of the Dr. Martin Luther King Jr. Community Center in Newport.

NET ASSETS 2015 – 2020

¹ Most of the food distributed is donated. Donated food is recorded as contribution revenue using per-pound values established by Feeding America, the national food bank network. The per-pound value for the year ended December 31, 2020 was \$1.62 for the six months of January 1–June 30, 2020, and \$1.74 for the six months July 1–December 31, 2020. Inventory on hand at year-end is weighed and recorded using this per-pound value. The Center supplements donated food supplies by purchasing nutritious food items not regularly donated.

In 2020 donated real estate for sale for contribution to Endowment Fund was \$1,601,982.

² COVID-19 caused the cancellation of the Center's 2020 special fundraising event. Certain sponsors and donors nevertheless provided funds toward the cause.

Honor Roll

Since 2005, the MLK Community Center has bestowed the Keeper of the Dream award annually on those whose outstanding commitment most embodies the ideals of our namesake, Dr. King. The Volunteer of the Year award was created in 2007 and in 2012, the MLK added an award to recognize businesses or community partners with exceptional commitment.

Keepers of the Dream

Nancy and Doug Horsey

Nancy and Doug fully underwrote the major capital purchase of the new Mobile Food Pantry truck.

For six years, Nancy and Doug Horsey have been champions for the MLK. Whenever we ask, the Horseys generously answer the call. When we needed matching funds to inspire our community to donate, they have given to spark that inspiration. When we host holiday toy and food drives, Nancy and Doug are among the first to give.

When we decided to pilot an innovative new program, they helped think through the challenges of creating the Mobile Food Pantry. After a year of piloting the program and researching possible vehicles, we were ready to make the major purchase of a refrigerated box truck equipped to bring varied and healthy nonperishable food, frozen meat, fresh produce and needed personal care and household items to neighborhoods across Newport County. Nancy and Doug fully underwrote the major capital purchase of the new Mobile Food Pantry truck.

To put this transformational gift into context, consider the growth of the Mobile Food Pantry program. In 2018, our pilot year, we made 9 visits. In 2019, we made 37 visits into the community. In 2020, the COVID-19 pandemic caused lost jobs and wages and kept people inside their homes for months. Because of the Horseys' generosity, the

Doug and Nancy Horsey at the ribbon cutting of the new Mobile Food Pantry.

MLK Mobile Food Pantry was ready to help and made an incredible 134 visits to 13 neighborhoods in Newport, Middletown, Portsmouth, Tiverton, and Jamestown. The Mobile Food Pantry was—and continues to be—a lifeline of support, because of Nancy and Doug.

The Horseys are hands-on in their support of the MLK. Nancy has given many hours volunteering in the Food Pantry and Mobile Food Pantry, escorting clients through these programs with dignity, respect, and kindness. Doug has now joined her in donating his time as well, volunteering at Mobile Food Pantry visits.

Quite simply, Nancy and Doug Horsey are essential to the MLK, and to our community.

Because of the Horseys' generosity, the MLK Mobile Food Pantry made an incredible 134 visits to 13 neighborhoods in 2020.

Keeper of the Dream Community Partner

Jamestown Community Farm

We know we can depend on our friends at Jamestown Community Farm to donate every week of the growing season.

One of the most important truths that the Center holds dear is that all people want—and have a right to—healthy food. In 2020, we made a commitment to greater food access in all our Hunger Services programs and began offering fresh produce year-round.

We can allocate funding to purchasing produce in the winter months because we know can depend on our friends at Jamestown Community Farm to donate every week of the growing season. Jamestown Community Farm has provided fresh, local produce and eggs to people across Newport County for decades. The Farm has donated to the MLK Community Center since before our digital record-keeping began

in 2005. Since then, over 14,000 pounds of just-picked sustainably farmed vegetables have arrived in the back of their truck, often still warm from the sun.

Jamestown Community Farm grows mostly organic produce and runs almost exclusively on solar power. They capture run-off water to irrigate crops, using no onsite water. They are a non-profit organization with no paid staff except one intern: they otherwise rely exclusively on volunteer support. In addition to donating crops to the MLK Community Center, the Farm donates to the McAuley House in Providence, and the Jonnycake Center in Westerly. The Farm also sells produce one weekend morning to the community at very low cost. They also worked with the Jamestown

Baptist Church to establish a voucher system so island residents in need can receive fresh produce at the weekend farm stand.

Their impact goes far beyond donating veggies. The land-stewards at Jamestown Community Farm represent a vision for a more sustainable, healthy, generous, and caring future for all.

Volunteers of the Year

Betsy Blair and Jim Van Winkle

The couple has volunteered countless hours to benefit the Center, across nearly every program we offer.

It's hard to believe that Betsy Blair and Jim Van Winkle became involved with the MLK only a few short years ago, after they relocated from Austin, Texas to Newport, Rhode Island. They are at the Center so much, they're practically staff. They almost immediately became champions for their new community, immersing themselves in selfless service at the MLK. Whenever we ask, whatever we ask, they are there for the Center. They are the first people we think of when we are in need: *"Call Betsy and Jim!"* is a common refrain.

The couple has volunteered countless hours to benefit the Center, across nearly every program we offer. Because of Betsy and Jim, we now glean the Saturday Farmer's Market for unsold produce after day's end, produce that is then distributed in our Food Pantry and at Veggie Days. They have escorted hundreds of clients through the Food Pantry with dignity and respect and made dozens of runs to pick up donations and purchases for Hunger Services and Community programs.

We had to dismiss volunteers when the COVID-19 pandemic began in March, 2020. It was difficult not only because we're so fond of our volunteers, but because we really need them. When we were able to welcome volunteers back in August, we knew not everyone could return. Jim and Betsy were among the first back in the building and they've been at the Center nearly every day since.

Husband and wife duo Jim Van Winkle and Betsy Blair volunteering during Produce to the People, the Center's year-round vegetable distribution program.

Their commitment to the MLK Community Center goes beyond giving their time. Jim and Betsy's incredibly generous support ensures we can sustain critical programs and inspires others to give. They're connectors, too and have brought family members and friends into our Volunteer Family.

Betsy Blair and Jim Van Winkle provide vision, energy, commitment, and a positive attitude that improves each program they touch.

They are at the Center so much, they're practically staff.

Supporters

A Community of Supporters...a Community Worthy of Support

The MLK Community Center creates change via a network that is both broad and deep. Every gift, every collaboration, every donated hour supports the Center's mission to better the lives of Newport County residents. Listed within these pages are generous donors who make monetary donations and donate food and other program supplies, vital partner organizations who enrich MLK programs, and selfless volunteers who perform vital roles around the Center.

Just as every person who walks through the Center's doors matters, each name listed here is essential. We are deeply grateful to our community of supporters and friends.

820 kids received toys and gifts from Santa's Workshop.

Hardworking volunteers load and unload displays full of food at the Mobile Food Pantry.

322 volunteers gave
7,980 hours of service in 2020.

Volunteers have always been the lifeblood of the MLK Community Center, sustaining our programs with their time and talent. They perform essential tasks like preparing and serving meals, sorting and organizing food in the pantry, escorting clients in the Food Pantry and Mobile Food Pantry, supporting seniors and families in our Holiday Meal and Santa's Workshop program and more.

But, when the COVID-19 emergency struck in March of 2020, volunteers had to be dismissed for everyone's safety. For four months, we were without our beloved team of helpers. When we could welcome a limited number of volunteers back inside the building, vaccines were not yet available and we needed to maintain social distancing for the safety of clients, staff and volunteers. Despite the uncertainty but armed with masks and a commitment to their community, volunteers returned and new volunteers joined their ranks.

With boundless gratitude, we salute these selfless and dedicated people. The MLK could not exist without them.

Tribute Giving

Tribute gifts offer thoughtful opportunities to remember a special person, to celebrate a milestone, or to express gratitude. These deeply meaningful gifts provide lasting impact by sustaining the MLK Center's work to better the lives of the most vulnerable people in Newport County. We are humbled and grateful.
