401Gives is 3 Days Away!

There's only 4 days to go until **401Gives**! Just enough time to give a little love to our education programs. Being able to **provide quality, affordable educational programs** in Preschool, After School, and Summer Camp for working families in Newport County is crucial for our community.

With over \$255,600 in scholarships given out last year, we are able to make our programs as accessible as possible. **With your gift, you can help us continue to provide essential programs to our community.**

You can participate in 401Gives by **giving early, giving the day of, sharing our story with your friends and family**, or by **becoming an MLK Super Fan Fundraiser**. However you choose to join us in strengthening Newport County, we thank you.
